Construction Water Pollution Control 24-Hour Training

Meets Caltrans Requirements for Construction Water Pollution Control
Managers and SWPPP Preparers

Why Pay More For Training?

- Only \$595 for 3 days/\$200 per day

Learn from the Same Trainers that Train Caltrans

The Instructors have extensive field experience.

The courses include and augment Caltrans training courses.

Course Content:

- Preventing Storm Water Pollution from Construction Sites
- Proper Installation of Construction BMPs
- Preparation of the SWPPP/WPCP
- Understanding Caltrans Water Pollution Control Specifications and Standard Special Provisions
- Preparation of a Sampling and Analysis Plan (SAP)
- Water Quality Sampling Techniques, Reporting, and Analysis of Water Quality Data
- Forms, BMP Inspection and Estimating for Caltrans SWPPP Cost Breakdown

Provided: Coffee and donuts. Lunch is "on-your-own". Copies of Caltrans SWPPP/WPCP Preparation Manual and Construction Sites BMP Manual. Certificate of Completion for the Hours of training attended.

Call now to reserve space.
